

HOME LOAN PROTECTION INSURANCE

CLIENT ACKNOWLEDGEMENT

My home loan consultant has made me aware that a serious health event can affect my ability to service my home loan repayments and that home loan protection can help me/us manage this risk.

I/we understand the risk of not having adequate home loan protection in place.

I have chosen not to obtain protection as:

I/we am not eligible

I/we already have sufficient cover

I/we am willing to take the risk

I/we intend to see a financial planner
